

Team Meeting 1-30-2020

January 30, 2020 / 8:20 / IF Room

ATTENDEES

Tammy L	Kati M	Hannah D	Jade M.
Jill R	Marissa P	Sue C	Ani H
Stacie M.	Sam S.	Robin HG	

AGENDA

- **Science - are we teaching mystery 8? (5 min.)** Mystery 8 is on the test. We will use the question for this mystery as a 4 point level. This lesson will be a great introduction for the unit 3 social studies. If students created a chain reaction project at home, we can give them a 4 for this standard. You will create a new assignment in the grade book.
- **PBIS update (5 min.)** Jill mentioned keep up the hallway behavior. She had us vote from 1-10 how important it is to us. We voted individually, so Jill could take it back to the PBIS team.
- **[Affixes & Roots pre-test](#) (5 min.)** We went over the affixes and roots pretest that was created by the ELA team. After we give the pretest, we will have until the end of the year to teach them. We need to give the pretest and have them entered in our data sheet by Thursday, Feb. 6.
- **Go over [ELA pre-test Data sheet](#) (15 min.)** Ani helped us fill out a pre-test data analysis protocol. We are at 17% on our pretest. Our goal is going to be 85%.

NEXT MEETING's AGENDA -

- **Social Studies:**
 - **Proficiency scale**
 - **Assessments**
- **Pickers - Marissa**
