- PLC Video: Shared Mission
- Summative +/- within 20
- Number Sense and Place Value before +/-
- Graphing
- PLC Training Jan. 6th
- Cub Time

### Changes

Summative +/- within 20 **Ellie** - all proficient **Lindsay** - 3 not proficient. One ELL (M) - vocab. **Student 1** - attention and vocab still uses manipulatives. **Student 2** - working on vocab and - within 10 also looking to refer. **Hannah** - 2 not proficient - one refused to work (retest) could be developmental and the other is not developmentally there yet. **Kaki** - Student 1 - swiss forms for behavior during summative. Student 2 -

retest. She wouldn't do it. Student 3 - retest.

**Carrie** - 1 not proficient. 1- attention **Katie** - **Krispen** - 6 not proficient. 1 basic counting, couple off by 1 number. Student 1 - checkmarks. Student 2 - attention.

(Summative Common Mistake : A lot of students off by one across first grade)

Morgan will reteach +/- within 20 (7 friends). Plus Katie's that need reteaching. 10-10:30am next week M,W,TH,F (Tuesday is field trip.)

**\*\*\*\*ADD WORD PROBLEM CFA NEXT YEAR\*\*\*\* - Discuss it for next year since it isn't essential standard, but it is on the report card.**

Number Sense and Place Value before addition and subtraction next year. This might make the units flow quicker.

Graphing CFA on **Tuesday** after the field trip Summative is Friday
