

# 2022-2023 BUILDING GOALS

GOALS

## PLC

By the end of the 2022-2023 school year, 100% of K-4 classrooms will implement RTI aligned to the needs of their students in both remediation and extension. Guiding Coalition will work collectively and collaboratively to develop our understanding of best practices in RTI.

## BEHAVIORS

**Over-arching idea:** To empower teachers to handle student behavior supports unless emergency or pre-designed plan.

We will continue our focus on systematic supports and interventions for student behavioral needs. We will streamline our processes of addressing student behaviors by implementing a systematic process of intervention with 100% fidelity by the end of the 2022-2023 school year. We will continue to track data throughout the school year to monitor effectiveness and make necessary changes to process.

## ACADEMICS

**Overarching Idea:**

Increase student achievement by engaging in coaching cycles and individualized support focused on individual and team instructional needs.

### ELA

By the end of the 2022-2023 school year, 75% of students will demonstrate proficiency in ELA as demonstrated by the Evaluate assessment.

### MATH

By the end of the 2022-2023 school year, 80% of students will demonstrate proficiency in mathematics as demonstrated by the Evaluate assessment.
