

Awards & Recognitions

Each year, the Houston County School District hosts an Opening Session on the first day of pre-planning for the upcoming school year. This is done to welcome back all teachers and staff, set our focus for the new school year, look back on what we achieved and been awarded in the past school year, and recognize individual personnel in the district. Below you will see links and the resources from our past Opening Sessions.

2019-2020 Opening Session
