

Data Analysis Protocol & Action Plan

Team:

The following analysis is based on our team's common assessment of the following essential learnings:

1. Which of our students need additional time and support to achieve at or above proficiency on an essential learning?

How will we provide that time and support?

- .

2. What is our plan to enrich and extend the learning for students who are highly proficient?

-

3. What is an area where my students struggled?

-

What strategies were used by teammates whose students performed well?

-

4. What is an area where our team's students struggled?

-

What do we believe is the cause?
