<i>Students with an IEP</i>						
Mathematics	25%	40%	31%	41%	51%	58%
<i>Students with an IEP</i>						

As a district we have used AimsWeb Plus as a universal screener to assist in monitoring student progress. The chart shows the percentage of students meeting proficiency from beginning to end of each year. By following a cohort from beginning of 3rd grade to end of 4th grade you can see progress over two years. For example:
