PATRIOT TIME

Every student receives additional time and support needed to learn at high levels.

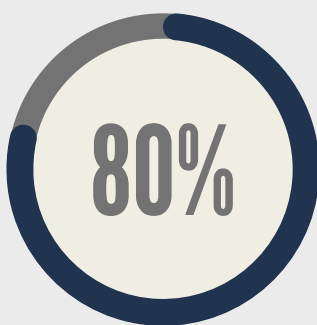

WHY?

All students learn at a different pace and in different ways. In addition to their regular class time, Patriot Time – Tier 2, is designed to meet the needs of all students in a focused meaningful way that adds to their learning.

PART OF YOUR CHILD'S DAY

Time is built into the daily schedule to provide students an opportunity to receive extra time and support as well as enrichment opportunities.

DATA DRIVEN

Students are identified by assessments and placed in similar skill groups that use research-based intervention and extension models within their grade level.

WHAT IT LOOKS LIKE

Students will be moving from group to group throughout the year based on their individual needs and data. The groups will be focused on specific areas of concentration that the grade level teams have set.

CELEBRATE THE INDIVIDUAL

Patriot Time is all about celebrating individuals and their growth. We are committed to making sure that all students will learn at high levels and are provided the necessary skills to succeed in school and in life.
