

Tutorial Session Questions

Tutor Roles:

- Tutors guide students to actively participate in their own learning, so students take ownership of their learning, their progress, and their success.
- Tutors are GUIDES, not ANSWER-GIVERS.
- Tutors sit with the designated student, at their table, for 10 minutes at the designated time.

Possible topics/questions for Academic Workshop students:

- Do you have something in particular you'd like to work on today?
- What is your most successful class? What are you doing to achieve this success?
- What class is your biggest challenge? What is challenging about it? What have you tried to do to be more successful?
- Show me what you are working on in your _____ class.
- Let's look at Google Classroom for your _____ class.
- Let's look at your weekly 'to-do' list and figure out what your priority is for today.
- What resources do you have for that class? (textbook, guided notes, notes from a class lesson, examples, on-line resources, etc.)
- If you are struggling to stay organized, show me how you organize all of your papers and resources for your _____ class.
- Let's take a look at your planner/calendar.
