**To unlock the fullest potential of every student through creating a collaborative environment where ALL school community members are engaged in building student growth.**

### **Motto**

**Team Hardy! The Best Place to Be! Where All Kids Succeed!**

### **C.C. Hardy Elementary's Collective Commitments**

**In order to achieve our shared vision, we commit to the following:**

**We will...**

- Expand our capacity to function as a professional learning community.
- Develop the whole student in academics and social emotional learning
- Collaborate with purpose to provide each student a high level of instruction through lesson design, implement action, and assessment.
- Build a culture of trust between all staff, students, and parents.
- Cultivate an environment where failing forward (the power of yet) leads to growth.
- Engage in meaningful and open communication between staff, students, and parents.
- Create and implement local common formative and summative assessments to monitor each student's learning and effectiveness of instruction utilizing content area depth of knowledge
- Utilize information from common formative and summative assessments in order to provide intentional interventions, remediation, enrichment, and acceleration for students.
- Data protocol of CFAs and CSAs will be conducted within 48 hours in order to

ensure that intervention/enrichment is done in a timely manner to ensure students success of essential standards.

- Maintain intentional focus on the four essential PLC questions
- Promote interdependency by actively listening and respectfully support growth of self and other
- Provide parents weekly updates on student progress/weekly communication
