Intervention

<p>Here's What? Take a quick look: What does your data tell you (this can be whole class or grade level)?</p>	<p>So What? Drilling down the data: Are there specific data trends? Can you task analyze the deficit?</p>	<p>Now What? Failure is NOT an option: How do we intervene, what does this look like, and how will we know if they got it?</p>
		<p>*Sort using table*</p>

Highly Proficient	Proficient	Partially Proficient	Minimally Proficient
<p>_____ of _____ correct</p>	<p>_____ of _____ correct</p>	<p>_____ of _____ correct</p>	<p>_____ of _____ correct</p>
<p>Student Names:</p>	<p>Student Names:</p>	<p>Student Names:</p>	<p>Student Names:</p>
