First Thoughts

Building Bridges--Part 1

The Building Blocks

Build relationships
within our
school community

Connect NHHS to the
larger community--
local, national, global

Transition our students to
successful college and
career experiences

Undergird all
bridge-building with
literacy-building!

- Improve relationships and culture within NHHS
- Connect to community--local, national, global
- Transition to successful experiences in college and career
- Build on solid footings of literacy
