Essential Standards

- All ELA state standards can be found at https://sde.ok.gov/sites/ok.gov.sde/files/documents/files/Blueprint_ELA_web.pdf
- We have identified our standards to prepare students for success at the next level of study.
- For each standard, the team will write the standard in kid-friendly terms, determine the level of rigor, identify prior skills/academic vocabulary needed, create/select the common assessment that will be used to measure student mastery, and determine when the standard will be taught.
