Glasgow MS – Core Beliefs

- I believe that **all kids** can learn and am committed to the **energy, creativity and persistence** it takes to meet each student where they are
- I'm energized by true **diversity** (SES, race & ethnicity, skills & background knowledge, languages, perspectives)
- I **care** about all of my students' needs: academic, social-emotional, physical
- I have a **growth mindset** for myself and my students
- I rely on a **community** of like-minded educators to support my work with students
