

Tier 1 checklist of non-negotiables:

\_\_\_\_ All students have access to grade-level material

\_\_\_\_ High-Quality instructional materials, as evidenced by an outside source, are being used with fidelity

\_\_\_\_ Essential Learning Outcomes (ELO's) are identified for the course as a whole, by trimester, and/or by unit.

\_\_\_\_ Success criteria are clearly identified so staff, students and families know what constitutes being proficient.

\_\_\_\_ Common formative assessments (CFAs) are used regularly to monitor mastery of ELO's

\_\_\_\_ Discussions in PLCs are data-driven and based on ELOs and CFA data.

\_\_\_\_ Identify students who are not meeting proficiency on ELOs and provide Tier 2 support.
