## Where have been???

Last ILT - we focused on what is effective feedback.

In PLCs - we are starting to focus on effective teacher to student feedback

## **What is Next???**

How do we involve students in the feedback process?

# ILT Viewing Fun

Look for:

- What were the teacher and student actions **prior to** the video?
- What were the student actions **during** the video?

## **What is Next for Lake???**

What support is needed to help teachers facilitate this student to student feedback?
