Subject: RE: Lesson Modeling March 4th and 5th ?

Hi Shannon,

I am looking forward to being in your room tomorrow and Friday from 1 to 2. I am going to begin with whole group and move into small group and then we will debrief.

Whole Group – 10 – 15 minutes
Group 1 – 10 minutes
Group 2 - 10 minutes
Group 3 – 10 minutes
Debrief 15 minutes

As far as grouping, we are working on vocabulary so anyone who needs vocabulary can be pulled in a group. In other words, they don't have to be so "exactly" grouped.

Hope this makes sense.

Leslie

Subject: Lesson Modeling March 4th and 5th ?

Good Morning 😊

I hope you both are doing well from our week of adventures....

Ms. Aguirre and Ms. Doyle are happy to have you model lessons in their rooms on March 4th and 5th.

They asked me to check on which day you both will be where? Or is it both of you on both days?

Sorry if I'm confused....
