

# Heritage Middle School

## January 2019 In-Service Agenda

---

### Thursday, January 3rd- Media Center- 8:00

Bring 3rd 9 week checkups and assessments to use today

- Update on CCRPI/Goals/Progress/BTO/Subgroup Targets
- PLC Application Update
- Video- “Breaking Your Data Down Into Targets” Cassandra Erkens
- **Data Team Task #1- Breaking Down Essential Standards into Learning Targets**
  - What should students be able to do? (circle verbs in standard)
  - Identify knowledge or concept for each skill. (underline in standard)
  - Determine appropriate DOK level and best method of assessment.
  - Identify prior knowledge/vocabulary needed for mastery.
  - Translate standard into learning targets/ student “I Can” statements
- [My Favorite No Video](#)
- **Data Team Task# 2- Assessment Blueprint**
  - Review [GA Achievement Level Descriptors](#) for each grade/content area
  - Do upcoming assessment questions align with what we want students to know?
  - Create an assessment blueprint for the upcoming assessments (example provided)

*\*Examples of all team tasks will be provided and discussed in the morning session. Teams are then free to work in a separate room to complete the data team task*

## Friday, January 4th- Media Center

- **Data Team Task #3- Student Accountability Learning Target Reflection Form**
  - Update student reflection form for next unit so they can track their own mastery of learning targets (example provided)
  - Update Google Form- Learning Target Feedback to match learning targets being assessed on upcoming checkups and unit test
- **Video- “Bringing Students Into the Formative Assessment Journey” Cassandra Erkens**
- **Review Common Assessment Reflection Form Change- By Learning Target Instead of Overall Proficiency**

*\*Examples of all team tasks will be provided and discussed in the morning session. Teams are then free to work in a separate room to complete the data team tasks.*
