KHS Algebra 1 PLC Rolling Agenda

Team Norms:

- [PLC Norms](#)

Calendar View Agenda

Four Critical Questions:

1. What do we want students to learn?
2. How will we know if they learn it?
3. What will we do for the students who didn't learn it?
4. What will we do for the students who did learn it?

Note: Not all Topics will be discussed every PLC but should be over the course of a week
