

<p><b>Team Mission and Vision (5-10 minutes)</b></p>	<p><b>Kindergarten Mission Statement:</b></p> <p>Foothills Kindergarten's mission is to create an inclusive, positive learning environment that fosters learning on all levels, believing that all students can learn and grow.</p> <p><b>Kindergarten Vision Statement:</b></p> <p>Our vision is to teach with compassion and kindness towards all students and to exude strength and leadership within our team and with our students to achieve success.</p>
<p><b>Team Norms for Meetings for the Year (5-10 minutes)</b></p>  <p>"Enforcing the norms has been a lot easier since I thought of using the mute."</p>	<p>Set norms for time, listening, decision-making, accountability, participation, etc.</p> <ul style="list-style-type: none"> <li>-be prepared with student data/notes</li> <li>-listen and allow each person to voice their thoughts/opinions</li> <li>-decide collectively as a team as needed for next steps</li> <li>-request input from all participants</li> </ul>
<p><b>Collective Commitments (5-10 minutes):</b></p> <p>"Collective Commitments" are <b>beliefs and actions created by school staff and agreed to</b> by school staff. These commitments allow for an open and transparent agreement on what staff must do to live our mission and achieve our vision.</p>	<p>List 3 Together:</p> <ul style="list-style-type: none"> <li>-meet weekly within our team and PLC meetings</li> <li>-to hold belief that all students can learn</li> <li>-we commit to working together as a team to ensure success for all of kindergarten</li> </ul>
<p><b>Math (25-30 minutes)</b></p> <p><b>KEEP 8/18-8/25</b></p> <p><b>Establish goal first, then discuss plan</b></p>	<p><b>Establish a SMART (specific, measurable, attainable, results oriented, time bound) goal:</b></p> <p><b>Kinder had modified our 30 day goal/date to reflect 30 days in Kinder.</b></p> <p><b>By October 11, students will:</b></p> <p>Students will demonstrate their understanding of numbers</p>

 <p>"My goal for tonight is purposeless, ambiguous, immeasurable, unaccounted-for TV viewing for as long as I feel like it. I think that's attainable."</p>	<p>(1-5) and shapes (rectangles and circles) by completing the Unit 1 Math Benchmark with 80% proficiency.</p> <p>Plan out the first 6 weeks - lessons to teach, assessments, strategies for students (link documents here if you have them or type here):</p>
<p><b>ELA (60 minutes)</b></p> <p><b>KEEP 8/18-8/25</b></p> <p><b>Acadience ?</b></p>	<p><b>Establish a SMART (specific, measurable, attainable, results oriented, time bound) goal:</b></p> <p><b>Kinder had modified our 30 day goal/date to reflect 30 days in Kinder.</b></p> <p><b>By October 11, students will:</b></p> <p>Students will demonstrate their understanding of lowercase letters and sounds on the benchmark with 80% accuracy.</p>
<p><b>Science</b></p> <p>How will you teach FOSS (rotate kids, etc.)? What does the week look like? How will you integrate Reading and Writing with Science?</p> <p><b>Remember, we are NOT using videos from the district to teach Science experiments or other lessons.</b></p>	<p><b>Establish a SMART (specific, measurable, attainable, results oriented, time bound) goal:</b></p> <p><b>Kinder had modified our 30 day goal/date to reflect 30 days in Kinder.</b></p> <p><b>By October 11, students will:</b></p> <p>Given the constraints within the first term of Kinder, the change in team and various experiences with FOSS, our goal is to have a scope and sequence for 2022-2023 by 10/11.</p>
<p><b>CFA's (remaining time- 1-2 hours)</b></p>	<p>Create the CFAs to your learning scales you will be using the first weeks of school in Math and Reading.If you are up to date on learning scales and CFA's, plan out assessment dates and start a new learning scale with CFA. Add links here. Plan out dates to give formative assessments:</p>
