

Stanley-Boyd Middle School

2018-2019 Schoolwide Title 1 Partners in Learning

Stanley Boyd Middle School is dedicated to providing high quality curriculum and instruction to all students to allow for an effective learning environment so all children can reach their full potential. It is important for our students to have parents and teachers working together in support of their learning.

School and Teacher Responsibilities:

- Create a welcoming and positive learning environment for students and families.
- Provide high-quality curriculum and instruction that supports student achievement.
- Communicate regularly with parents and families about their child's skills.
- Assist students in finding "good fit books" in order to better support daily reading outside of school.
