

Mission

It is our mission at Smith Intermediate School to ensure high levels of learning for all.

Vision

Smith School is a welcoming place. We work collaboratively to create a safe, fun and engaging learning environment, inspiring all to be their personal best. We are kind, confident and successful. We love learning.

Collective Commitments

- We will ensure that all members of our school community are given the support they need to be successful.
- We will collaborate with grade level, special area and service provider teams regarding essential standards to ensure consistency and student growth.
- We will collaborate and reach consensus regarding proficiency on essential standards.
- We will meet the needs of all students through collaborative planning and flexible grouping to ensure that students are achieving our identified essential standards.
- We will commit to share and implement research-based best practices and strategies.
- We will listen with open minds and respond respectfully.
