

Mountain Meadow Leadership Agenda 10/20

1. Bring your most recent formative assessment and share what you wanted students to know, share what the students did well, what instructional strategies, what misconceptions did we see, how will support unlearned skills (TACA questions)
2. Reflections from waiver day on October 14. What takeaways did you have and what do you plan to implement? What would we like for future learnings?
3. Time with TOSA reflections and options for next steps to get the most of that time.
4. Student led conference planning (What are we having our students do or share)
5. Nuts and bolts
