Plan Time Location Document

- Based on last year's data, what are measurable goals you will set for your grade level?

<u>Literacy Goal(s)</u>	<u>Math Goal(s)</u>	<u>Subgroup Goal(s)</u>

- What are your team norms?
- How will we respond if the norms are not met?
- How will we continually assess data to ensure students meet goals?
- How will we ensure that strong communication exists between the team and all support personnel?
- How will we make our learning visible?
- How will we regularly celebrate the work of our teammates?
