

Road Map for Interventions

4-6 weeks Pit Stop (check-in)

If : Then

If data from ALL sources show adequate progress, then Tier 3 is discontinued and shifted down to Tier 2.

If data does NOT show adequate progress, team calibrates next steps.

- Were there attendance issues?
- Was the intervention used with fidelity?
- Do we need to adapt intervention?
 - Change of frequency
 - Change of time
 - Change of group size
 - Change intervention
- Do we need to move to PST

Tier 3 Entry

Tier 3 Exit, PST or Continuation

2 weeks Speed Bump (mini check in)

- Attendance
- Group size
- Whole Child Check-in

Speed Bump (mini check in) if intervention was adjusted

- Attendance
- Group size
- Whole Child Check-in
