

BPS Collective Commitments

- Be a positive, contributing member of your grade level and school as we work in this professional learning community to achieve school goals
- Agree to teach the agreed upon essential standards and adhere to the pacing and rigor of each standard
- Use the data from CFA's and learning targets to meet the needs of students who need extension or intervention
- Be accountable and responsible for all the students in each grade level and school
- Ensure that your actions will promote the academic, social, and emotional health of each student
