Good afternoon,

Thank you for joining us on Tuesday for the Leaders Network. Several teachers told me as we were leaving that it was their favorite one yet.

On the feedback form- "It was such a joy to hear from Ashley and her team! I am so excited to look into the Group/Team rubric as a possible tool to move our PLC work forward. Thank you Evening Star!"

I appreciate yall taking your evening!

Thank you, Callie! This feedback is always appreciated. I'm fortunate to work alongside a pretty dynamic team. When teams share tools, processes, and strategies that benefit everyone and impact student achievement, that's when the magic happens! This ripple effect could be incredible!

Thanks for giving us the opportunity to participate.
