

CCPS Vision Statement

Catoosa County Public Schools will prepare every child to reach their full potential, so they graduate prepared to be good citizens and leaders of the future.

CCPS Mission Statement

Catoosa County Public Schools is a student-focused learning community, where excellence is expected from staff and students, every day, without exception.

CCPS Value Promise

Every child, every day, without exception.

CCPS Special Education Department Vision

The Special Education Department of Catoosa County Public Schools is a supportive and cooperative team drawing on everyone's strengths to find innovative ways to improve student achievement and outcomes.

Special Education Department Beliefs:

We will take collective ownership to ensure all students learn at high levels.

We provide individualized, comprehensive evaluations that drive data-based decisions to determine future support needed for student learning at high levels.

Using present levels of performance, we write data-based IEPs that ensure high levels of learning by addressing all student needs.

We will work in collaborative teams, to support students, staff, and families to achieve the common goals of student learning, graduation, and citizenship.
