

217 **Shaylee Brown** - Shalyee's classmates named her one of the top 5 most diplomatic people at DMS! On the rare occasion when she is absent, Shalyee makes up her work without being pressed by her teachers—she takes it upon herself to get her missed work completed. She really cares about her grades! Shaylee is well-mannered and nice to everyone— she even helps people in math class when they are struggling. Shaylee is a real problem solver, and is a fine example of why Davis Middle School is the place to be!
