Subject: Student Support Schedule Starting Monday, Jan 25th thru Spring Break

Importance: High

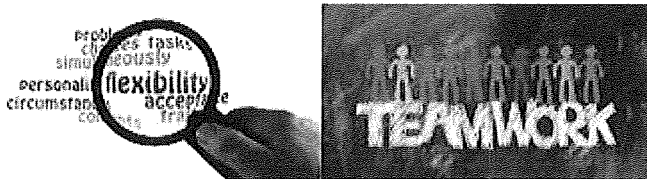

Greetings BBS! Starting tomorrow, Monday, Jan 25th, potentially thru spring break, I'm scheduling online Teacher Assistants to rotate through room 12 to provide individual student support for TW. The individual student support varies from about 1 hour 10 minutes to 1 hour 45 minutes at a time (see schedule below ... it's very similar to the former support schedule used in the past):

- 7:30-8:40 Ms. Onofre
- 8:40-9:50 Ms. Hamilton
- 9:50-11:00 Ms. Jimenez
- 11:00-12:45 Mrs. Call
- 12:45-2:20 Mrs. Davila

This means we will not be able to use room 12 as a motor room beginning on Monday, Jan 25th, until further notice.

To get the room ready for Monday going forward, Mrs. [redacted] is putting together work tasks/tubs of materials and a schedule for TW and putting them in room 12 this afternoon. Mrs. [redacted] will also share her playlist so the ActivPanel can be used with some of the same songs/lessons the student is familiar. I placed a radio and some PPE in room 12.

I recognize this causes disruption in schedules across several classes. I want to thank everyone in advance for their Collaborative Spirit and Collective Greatness as we work together to support our students!!!
