Team Norms/commitments:

Our strategies for when norms/commitments are not being lived:

How will we build and sustain a culture focused on student learning?:

How are we going to systemically cycle through the 5 guided questions?:

What will our structure look like? (Ex.'s Agenda's, Meeting days/times, etc.):

How will we know we are successful?:

- Guided Question #1

- Guided Question #2

- Guided Question #3

- Guided Question #4

- Guided Question #5

How will I monitor the progress of my team (Look for's)?

What do I need to work on regarding keeping the main thing the main thing?:

What resource(s) do I need now, short-term, long-term?
