**Kinder Team Norms:**

- Address issues head-on, timely and respectfully.
- Don't complain unless you have a solution.
- Do your job (turn in lesson plans, be on time, show up to duty, etc.)

*\*If a team member is not following the norms, we will...*

1. Solve specific problems one-on-one, with that person.
2. Select a team member to get them back on track (either the Team Leader or Team Leader will delegate to someone else)
