

# Intervention & Enrichment

## Every Other Thursday from 2:32 to 3:02 during WIN

Math, language arts, special education, science, and social studies teachers will collaborate every other Wednesday to determine students in need of biweekly I & E. Intervention students will include those who are not yet proficient on the current team-identified essential skill of focus. Students will be informed by teachers in advance and will stay in the commons after Snack Break where teams will deploy their instructional responses.

Enrichment students will report to the gym at 2:28. Students will be allowed to select a chosen semesterly Enrichment class which will be led and supervised by Janessa, CJ, Brenda, Shawna, Jason, Boot, Steve, Carly, Frenchie, Stephanie, Rob, Clint, and Michele.

Content collaborative teams will meet every other Wednesday to discuss student academic performance and assign students into one of four areas of need (see details below). This collaborative teamwork is the engine that will drive our Tier 2 (flexible) Thursday I & E response.

### Questions Yet To Be Answered....

Is there too many staff on Team I and not enough on Team E? (need one more for team T)

What do students do during Enrichment? Teacher guided exploratory OR teacher led interests?

Can we develop student led (teacher supported) Enrichment classes?

Do we cap each Enrichment class at a certain number? (Yes, at 20)

Communication: How will collaborative teams inform staff & students of their Thursday assignments?

Is there any point in flipping 7<sup>th</sup> and 8<sup>th</sup> period on Thursday I & E days? (No)

How will we share those students who are recommended by more than one collaborative team? (Colby)

If this works, do we expand to every Thursday? Every Tuesday and Thursday? (No, time needed for formative)

Coaching Point: Enrichment is not be sold as a reward. It is an additional learning opportunity for students.

**Thursday, January 19<sup>th</sup>**

All students will report to commons during snack break. Enrichment teachers will take turns summarizing their enrichment offerings. Students will then choose their enrichment class of choice. Freshmen first, then sophomores, juniors, and seniors. Please raise your hand when you have reached 20 students. Classes will be capped at 20 with the exception of Leatherworking and Rock Climbing. Teachers will then create a class roster.

**Thursday, January 26<sup>th</sup>**

Enrichment classes will officially begin during WIN. Reminder that enrichment classes are fixed for the semester, but students who are requested by core teachers for Intervention will take priority.
