Progress Monitoring Measures (DELAY TO FALL)

- Measures of progress during the year that predict each of our annual goals
 - Winter STAR data in reading for Grades 2-5.
 - Fountas & Pinnell winter assessments at each grade level.
 - Common Formative Assessment data used by teachers to determine needs/priorities for each of the 15 Day Challenges.

Strategic Actions

- 3-5 key strategies for improvement for which we might also have a more detailed project plan
 - Each team will complete a minimum of three 15 Day Challenges in reading--one by the end of Dec., one by the end of Feb., one by the end of April.
 - **all three completed and discussed with Guiding Coalition Team.**
 - Each team will use the "Data Discussion Guide" to analyze Common Formative Assessment Data from each of their three 15 Day Challenges.
 - **To be shared by teams at our March Guiding Coalition Meeting.**
 - At a TILT session, one of our staff members and a literacy coach will talk about the essential elements for guided reading. Staff members will fill out a reflection sheet on what they do well, what they learned, and what needs work. They will then write down their next step(s) and share with their team. [Reflection sheet here.](#)
 - **Completed on Tuesday, February 22, 2022.**
 - We'll plan and launch a book study in April of *Next Step Forward in Guided Reading* by Jan Richardson.
 - **Books passed out on February 22, 2022. Team is in planning phase for launch.**
