

Hopkins Elementary School

Mission

Hopkins is a loving and supportive community where all students can and will achieve academic and social emotional success. Be Safe. Be Respectful. Be Responsible.

Vision

We believe that the Hopkins Professional Learning Community makes a difference for all students academically, socially, and emotionally.

Collective Commitments

In order to achieve the shared vision of Hopkins Elementary School, the staff has made the following collective commitments:

1. Collaborative Teacher Teams will self-assess on the district PLC Implementation Rubric and set goals for continuous development.
2. Prioritize standards, set SMART goals, and utilize protocols to guide dialogue.
3. Develop and implement common formative assessments to monitor each student's learning.
4. All staff are learners and leaders. Risk-taking is encouraged, all staff participate in coaching, experimenting with a variety of instructional strategies is celebrated. We are committed to a growth mindset for adults and students.
5. Provide additional learning time for all students through our collaborative culture and efforts.

Schoolwide Goals

1. To improve student achievement and growth in English Language Arts as measured by CFAs, iReady, and CMAS.
2. To improve student achievement and growth in Math as measured by CFAs, iReady, and CMAS.
3. To improve the social and emotional well-being of our students and increase successful learning behavior.
