

Woodstation Elementary

Mission: “Where Excellence Starts” for every student by providing a foundation for success

At Woodstation our **Vision** is focused on an academic, social and emotional foundation that meets the needs of our students by developing the rigor, relationships and resilience needed for each child to be successful.

Our Collective Commitments towards **RIGOR**

- We will prepare lessons with agreed upon proficiency.
- We will teach a guaranteed and viable curriculum.
- We will commit to researching and using best teaching practices .
- We will analyze common assessment data with an open mind.
- We will be student learning focused vs. teacher focused.
- We will provide students with learning targets and success criteria for each standard.

Our Collective Commitments towards **RELATIONSHIPS**

- We will work together in collaborative teams to achieve our SMART goals.
- We will set positive examples of integrity, kindness, and respect for our students.
- We will keep parents informed of student progress in a timely manner.
- We will use PBIS to teach behavior expectations and build relationships with students.
- We will hold each other mutually accountable for student success.
- We will provide a safe environment for students to take risks.

Our Collective Commitments towards **RESILIENCE**

- We will present DOK level 2 and 3 learning opportunities for students.
- We will provide students with appropriate think time to solve problems.
- We will use peer collaboration time for students to share multiple pathways to solutions.
- We will help students to take ownership of their data and monitor their personal progress.
