Office for Education Policy (OEP) Student Achievement Measures

University of Arkansas

OEP Measures of Student Growth & Achievement

- We know that we continued to have a positive impact on student achievement during the 2019-2020 school year because our overall growth and achievement as measured by the Office for Education Policy (OEP) at the University of Arkansas continued in a positive direction from 2016-217, through 2019-2020, and into 2020-2021 for our economically disadvantaged, ELL, Hispanic, African-American students, and special education students.

OEP School-Level Growth & Achievement (Percentile Rank)
